To whom it May Concern:

After reviewing the printer Oaths from November 2020, we noticed a few inconsistencies in quantities delivered. We reviewed our records and updated the oaths accordingly.

Subject: [Records Center] Public Records Request :: R010266-051222

Body:

[REDACTED]

I have attempted to attach the documents you have requested. I have also attached the original "Statement of Electoral Board Representative" completed in December 2020 along with a statement from the vendor indicating the inconsistency in the number of ballots printed. Previously, I provided the updated form that was notarized on May 4, 2022 after the error was discovered.

For each both 2020 and 2021, I have provided the written names of the individuals who worked on or engaged in designing, printing, sealing, and packing of the 2020 and 2021 official paper ballots.

Please let me know if you are unable to access the attachments.
